HIRE FLEET

Discover the beauty of Britain's waterways at a giddy four miles per hour

Welcome to Kate Boats

Whether you are looking for a fun family holiday with a difference, or simply want

to unwind and take life at a more tranquil pace, you'll find our growing fleet of narrowboats provide a level of comfort and convenience usually associated with privately owned craft.

With Kate Boats, you can cruise the 137 miles and 166 locks of the Grand Union Canal, explore the delights of the winding Oxford Canal, or set your sights on visiting Stratford, 20 minutes by road, but an interesting 7 day round trip by canal. Set off from our working boatyard, just half a mile from the centre of the historic town of Warwick or from the picturesque banks of Stockton Top Marina, a mere twenty minute drive from Warwick.

Fuel and damage waiver inclusive prices

The price quoted is the price you pay, we include diesel and damage waiver that many other hire companies will add as extras.

The Stockton boats are available for short breaks, Monday to Friday or Friday to Monday, or a combination, allowing you flexibility in your holiday planning. The Warwick boats start on a Saturday, for a week (or two, or maybe three!). Kate Boats welcomes back many hirers year after year, and are always pleased to offer a 5% discount on the first week of any booking to our returning friends.

Genuine care and attention goes into every Kate Boats canal break. The boats are fully equipped with all the comforts of home. All the boats have TVs with DVD players, a 240 volt hairdryer, normal household sockets to plug your phone and battery chargers into, fresh water flushing toilets, central heating, and a galley equipped with fridge, gas cooker and some of the boats even have microwaves. We are part of the Enjoy England Narrowboat Grading Scheme, all boats are inspected and graded to ensure that you know what to expect when you book with us. We range from Thomas David, 2 star, great value boating, to the 5 star new boats, luxury boating at its best.

We hope you enjoy our brochure and website. If you would like to discuss your boat and holiday options we're always happy to talk to you in person. Here's hoping for pleasant cruising and kind weather throughout the season.

Nick and Cheryl Howes.

Meet the Stockton fleet

Plan your luxury cruise or short break in style.

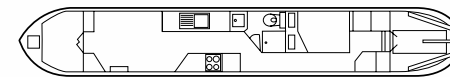

38'
footer **Sleeps 2+2**

Thomas David, our smallest boat, provides value accommodation for up to four people and is available for short breaks and longer holidays.

Enjoy your meal as you watch the world slide by from the dining and lounge area, featuring a foldaway gate-leg table and L-shaped settee which converts to a comfy double bed. He may

be tiny, but Thomas David still features a well equipped galley, ensuring that you have all you need on your trip.

In the rear cabin, Thomas David has a separate shower cubicle and flushing toilet. There are also two bunks and a vanity basin, a wardrobe, airing cupboard and locker storage.

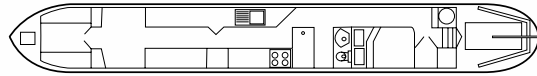

45'
footer **Sleeps 2**

Dorothy Constance is a cosy boat which has recently been refurbished, turning it into an up to date 2 berth boat, with a fixed double bed, a cross boat bathroom, with a macerator toilet.

Enjoy the new relaxing front of Dorothy Constance where you can put your feet up on recliner chairs and enjoy the full colour digital television or take in the view across the low bow.

Amy Clare

52'
footer Sleeps 2+3

Amy Clare is a cruiser stern narrowboat providing comfortable accommodation for four to five people, with a fixed double bed and three singles.

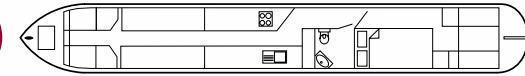

Looking out over the bow is the lounge and dining area with a desmo table and two settees, which convert to two single berths and a single bunk. We then move back into the well equipped

galley, with fridge, full sized cooker and all the facilities you need to cook whilst afloat.

The well equipped bathroom provides a bath with shower above. In the rear cabin you'll find plenty of storage space in the large wardrobe, wet locker and airing cupboard, and a permanent double berth.

Madeleine

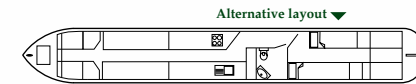

47'
footer Sleeps 2+2

New for 2012, Madeleine gives a fixed double at the rear, and two singles or a double to convert in the lounge area.

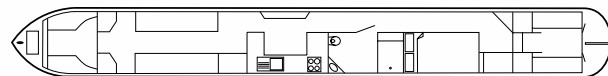

She comes fully equipped, as are all our 5 star boats, with a power shower and macerator toilet in the bathroom, and everything you might need in the galley, including a domestic size gas

cooker, a fridge with freezer compartment and a microwave.

As with all our boats, she has 'normal' 3 pin sockets for charging phones and cameras, and a TV with DVD player.

Molly May

52'
footer Sleeps 2+2

Molly May is a 5 star 52 foot semi-traditional stern narrowboat, giving extremely spacious and luxurious cruising for 2 to 4 people. She has a fixed double at the rear, then a roomy bathroom with shower and macerator toilet.

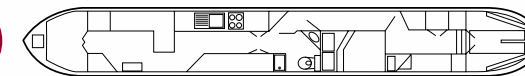

The galley is fully equipped with 240 volt fridge, gas cooking and a microwave.

The lounge area gives comfortable seating during the day and at night can convert either to two singles or to a cross boat double bed.

Please note: Molly May is a pet free boat.

Harry

52'
footer Sleeps 4+2

Harry is designed to accommodate six people. What better way to dine than in the fore cabin, with clear views over the low bow. A foldaway gate-leg table and L-shaped settee easily converts to a double berth. This dining and lounge area perfectly sums up the versatile nature of life afloat.

The middle cabin has a permanent double bed with drawers under, and added storage space in two large wardrobes.

Also in the middle cabin is the bathroom with shower, hand wash basin and fresh water flushing toilet. In the rear cabin are two further single bunks, airing cupboard and locker.

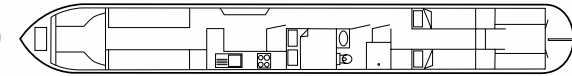

52'
footer **Sleeps 2+4**

Providing accommodation for up to six people. The front cabin gives you a comfortable seating area which easily converts to two single berths after dark.

This leads into the well equipped galley, giving you all you need to cook whilst on board.

The raised dinette in the middle cabin converts easily into a double bed; this can be left made up. The cabin also features a second TV point plus access to the first of two toilets.

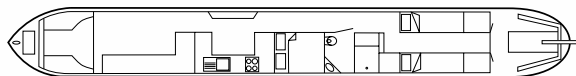

A fully equipped bathroom provides a bath, shower and a second toilet. The rear cabin offers a full size double bed, a large wardrobe, airing cupboard and a useful wet locker.

58'
footer **Sleeps 4+2**

Esma Frances is an elegant semi-traditional style boat fitted out to the very highest standard, providing luxury accommodation for up to six people. The forward lounge features a dining area with comfortable seating which converts into a double berth, or two single berths.

The U shaped galley provides easy cooking facilities. Next to this is the fully tiled bathroom, with shower cubicle, followed by a fixed double bed. And finally, the rear cabin with twin beds (which can be converted to a cross boat double), and a second TV, providing the flexibility of using this as a second day cabin.

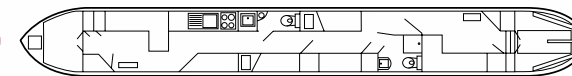

58'
footer **Sleeps 4+2**

Isabella is a 58 foot 5 star cruiser stern boat sleeping up to 6 people. The relaxing lounge area has comfortable seating for 6 people, and an L-shaped dinette converted to provide a double bed.

The fully equipped galley includes a fridge, microwave and gas cooker, along with crockery

and utensils to make cooking on board a pleasure.

She has a fixed double bed and two fixed singles at the rear, which can be converted to a cross boat double bed. Both cabins are separated by a bathroom equipped with shower and macerator toilet.

60'
footer **Sleeps 4+4**

Peter Michael can accommodate six to eight people and, uniquely, be divided into four separate cabins. The front cabin affords scenic views over the low bow, and incorporates the dining and lounge area with extensive seating, folding gate-leg table and large L-shaped settee which converts to a double berth.

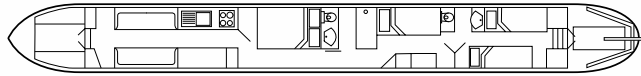

A toilet and vanity basin are housed in the second cabin which also contains two bunks. Further

along, the third cabin has two bunks and two large wardrobes. There is also a side access to this cabin.

The shower room, with the second toilet and basin, separates the third and fourth cabins. In the fourth cabin is an airing cupboard, large wardrobe, table and L-shaped settee that converts to another double berth.

Samuel
James

63'
footer **Sleeps up to seven**

The spacious fore cabin gives excellent views over the bow from the dining area and lounge, which has two large settees and a gate-leg table.

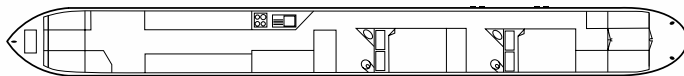

An excellently equipped and roomy galley means mealtimes are easily catered for with plenty of worktops and storage.

A door leads through to a separate cabin with side hatch, with a permanent double bed, large wardrobe and en-suite.

The next cabin has a single bed with a bunk above and access to the second toilet and a basin. In the rear cabin are a further two single beds with a full size bunk over one, and wardrobes, an airing cupboard and wet locker before steps leading up to the rear deck.

Alexander

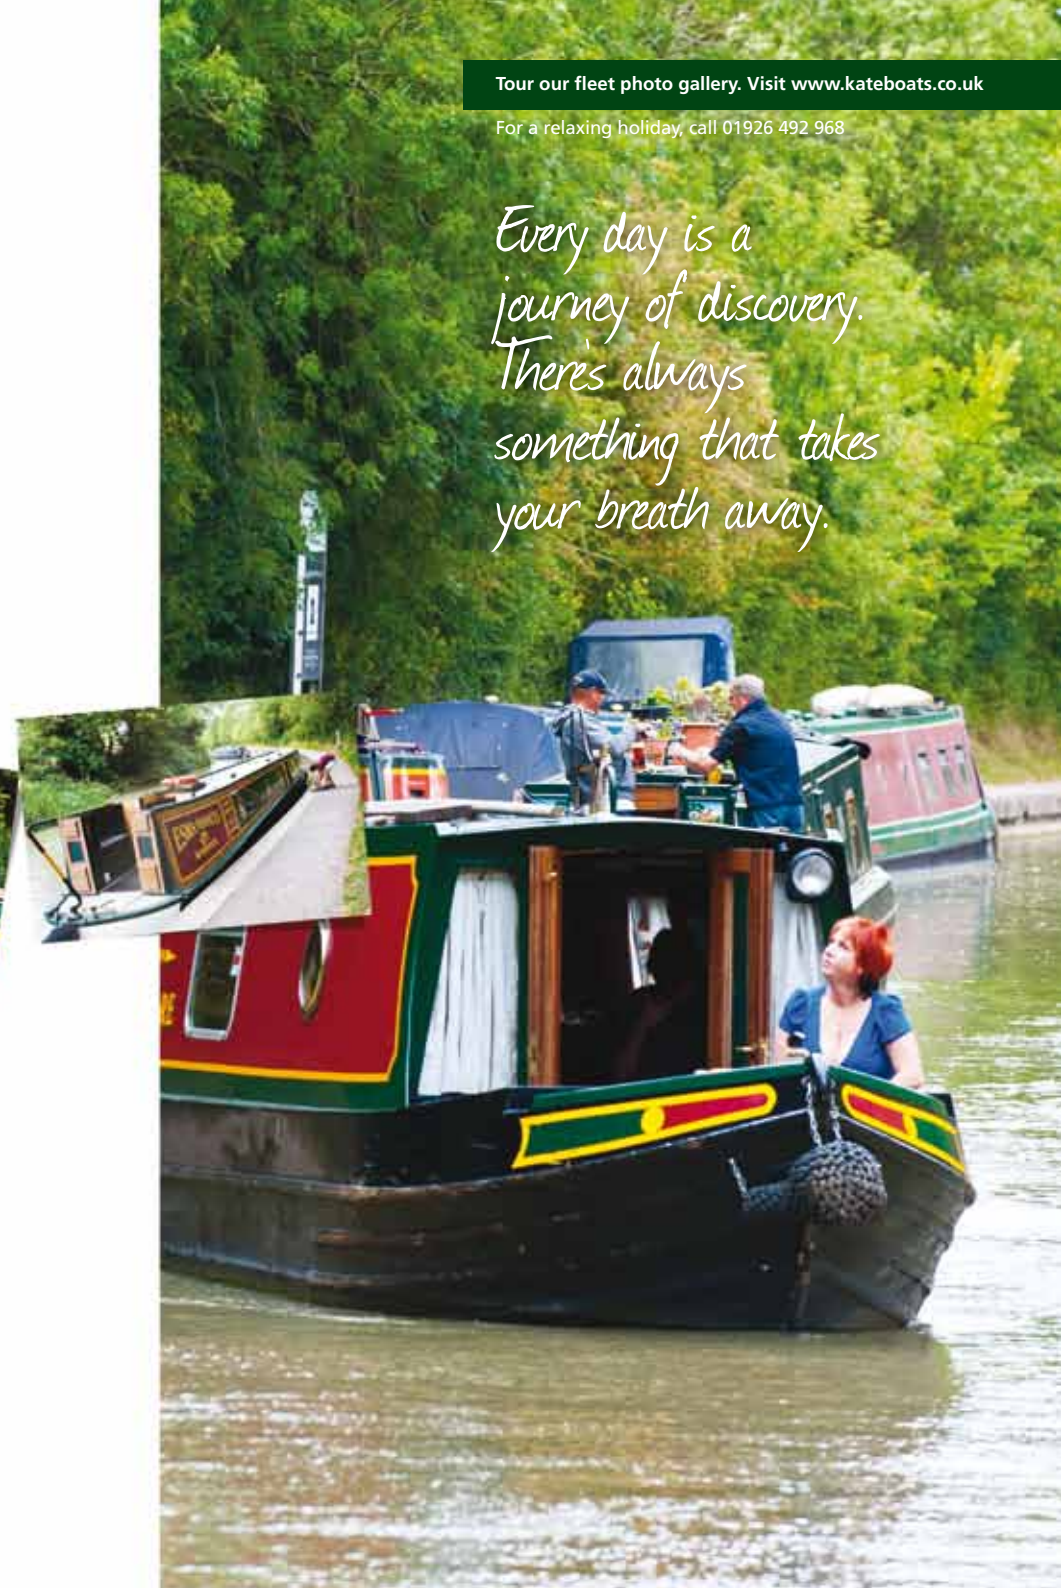

65'
footer **Sleeps 4+2**

Semi-traditional Alexander offers spacious accommodation for up to six people. Alexander features two fixed double beds and two bathrooms, plus a further convertible double bed.

The forward lounge is equipped with comfortable chairs plus a dinette, which can be converted to a double bed.

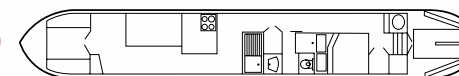

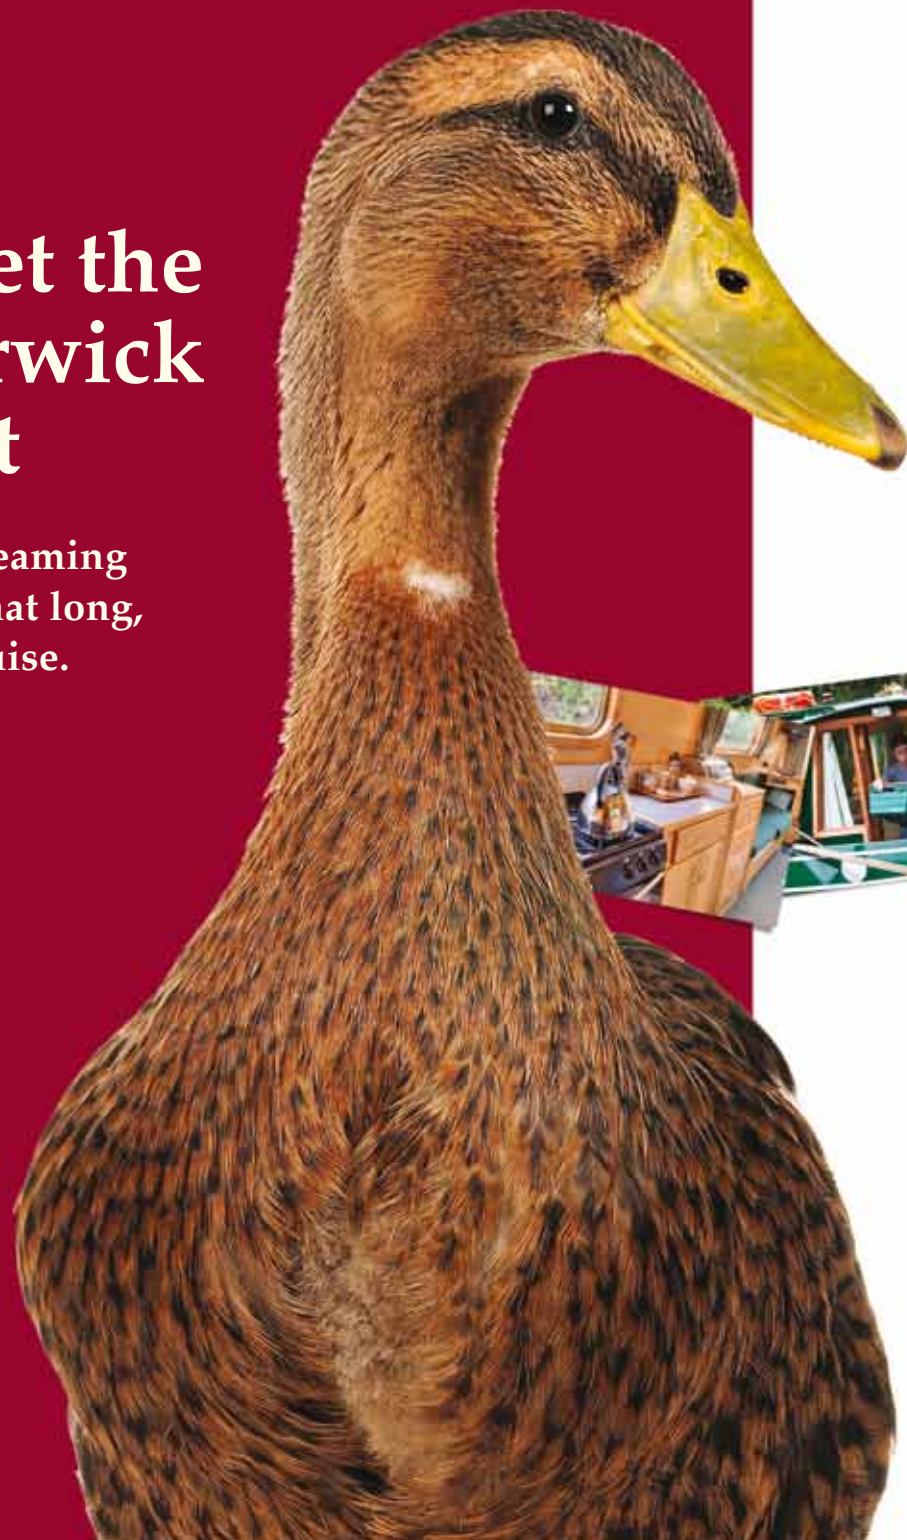

The adjacent galley has ample storage and a side hatch provides ventilation and easy access. This leads to two further cabins, each with a fixed double and en-suite shower room.

Useful information

What does the hire fee cover?

Our boats are hired complete with all equipment and a full inventory of domestic items is on board. Bedding is provided.

When you take over your boat it will have been refuelled, the water tank filled and new gas bottles connected. Gas and diesel are included in the hire fee and your boat carries sufficient diesel fuel for two weeks' normal cruising.

What are the boats equipped with?

Our boats are designed to provide you with a home from home, to allow you to enjoy your holiday to the full. All of the boats have a fully equipped galley. There is a gas cooker, grill and four burner hob and an under worktop 240 volt fridge with a small freezer compartment.

The boats are all centrally heated, some with gas boilers, some with diesel boilers. The boiler also provides plentiful hot water. Bathrooms are equipped with freshwater flush toilets, good showers, and some also have baths. Each boat has an airing cupboard.

240 volt electricity is available with standard plugs, suitable for charging mobile phones and other electrical devices. A hairdryer is available on each boat.

Television and DVD player

Your boat is equipped with a colour TV/DVD player and Radio/CD player. By their nature, canals tend to be low lying, and television reception may not be as good as you have at home.

Arrival and departure times

Your craft should be returned by 9.00am on the last day of hire and vacated by 9.30am. However, if you want to make the most of your last day, Warwick Castle is only a few minutes drive away, and is certainly worth a visit.

Craft are normally available from 2pm. Please let us know if you expect to arrive later than 3pm. We have no facilities for late arrivals.

Free car park

We do have our own private car parks but space is limited and restricts us to two cars per boat, parked free at your own risk. We will require you to leave your keys with us while you are aboard.

Books and maps

Waterways guides are essential for your cruise as these show the facilities you will need. We have a wide range of guides and maps which are available in our shop. We would be pleased to send your requirements to you in advance of your holiday.

Before you come

We suggest you watch the Boaters Guide DVD, which is available online at the Waterscape site (links can be found from our website). It provides useful information if you haven't done this before, and a helpful reminder for those that have.

Taking over the boat

Before you start your cruise we will give you full instruction covering all aspects of canal cruising and locking. If you have not handled a narrow boat before we will accompany you through a lock. A manual provides valuable information and reminders on safe navigation along with the Boaters Guide DVD and handbook.

A list of useful telephone numbers and canal information is also included.

Licences

Your boat is licenced for all BW waterways. Certain other waterways require special licences which must be obtained before or during the trip. These include the Upper and Lower Avon navigations, river Nene and river Thames. Payment of these licences is the responsibility of the hirer.

Buoyancy aids

We provide buoyancy aids free of charge for those requiring them. We suggest that children wear them at all times, especially when near locks.

Pump out toilets

All our craft are fitted with pump out type toilets. They have a fresh water flushing action similar to that of a domestic toilet. They are unlikely to need emptying during your holiday.

Water

All boats carry a good supply of water but it is advisable to top up daily. It is wise to plan your water stops. The location of water points are shown in the cruising guides.

Pets

We are pleased to accept pets on board, but we do ask co-operation in keeping them off bedding and seating. A charge of £25 per pet is made. Two boats, Molly May and Susan are strictly pet free to cater for allergy sufferers.

Clothing

We suggest casual clothing, wet weather gear and sensible footwear such as trainers. For returning to the boat after dark a torch can be very useful.

Insurance

We recommend that you take out personal travel insurance to cover your travel arrangements in case of emergency.

Further information

If you have any questions, would like to check availability or wish to make a reservation, please call 01926 492 968 or email enquiries@kateboats.co.uk

A traveller's journal

Day #1. Our first time on a narrowboat. A great welcome. An hour's instruction and we set off down the canal, with John supervising. The boat seems very long, but by the time we got to Radford Bottom Lock we felt quite experienced. John met us at the lock and showed us how it worked. It was easy, really. Moored for the first night at a lovely piece of countryside. Enjoyed cooking on the boat. Weather clear and warm.

Day #2. Early departure, galley staff providing bacon sandwiches to the crew. Made it to the top of the Stockton Locks. Having met up with another boat, with a very experienced crew, we paired up through the locks and gained lots of tips. We decided to stop just beyond Kate's Stockton base at the pub there for an evening meal. Kids have enjoyed spotting wildlife and generally being busy doing nothing!

Day #3. Down the South Oxford canal today, different locks: these are narrow ones, so no pairing up. Picked up fresh bread and milk at the little shop at Napton. The countryside is very pretty, winding round the windmill at Napton. Stopped at the pub for lunch. Got to Fenny Compton for the night. Cooked on the boat again. TV reception is great here. We are all really relaxed and sleeping well. Weather fine and warm.

Day #4. On to Banbury, today. We have moored in the middle of town. They have redeveloped the canal side very nicely here, and we popped into the supermarket to top up with supplies.

Day #5. On our way back! Boo! We turned in Banbury, which was exciting. Luckily no one was watching, because although we had had the theory explained it took a bit of working out, but we managed. Moored tonight at Fenny Compton, and ate in the pub. When we got back to the boat we realised that we hadn't moored the boat up very well and one of the mooring pins came out, but the next boat along had rescued us, and retied it. Weather overcast, little rain midday.

Day #6. Back as far as Stockton Top Marina, today. Love the way you actually get chatting to people, mainly at locks, but just on the tow path as well. Everyone you go past waves. Weather fine.

Day #7. Back to Warwick! Kids have got the locks off to a fine art now. We are all working like a team. We are moored at the boatyard to make for easy unloading in the morning. We are intending to spend the day at Warwick Castle tomorrow as a final treat, and then back home. Weather cloudy, but still warm.

In summary: glad we arrived in good time on the first day, so much information to take in! Should have brought a torch, would have been useful a couple of times. We have had a lovely time, certainly will try it again. Maybe Stratford next time.
